§ 305.64 Audit procedures and State comments.

(a) Prior to the start of the actual audit, Federal auditors will hold an audit entrance conference with the IV-D agency. At that conference, the auditors will explain how the audit will be performed and make any necessary arrangements.

(b) At the conclusion of audit fieldwork, Federal auditors will afford the State IV-D agency an opportunity for an audit exit conference at which time preliminary audit findings will be discussed and the IV-D agency may present any additional matter it believes should be considered in the audit findings.

(c) After the exit conference, Federal auditors will prepare and send to the IV-D agency a copy of their interim report on the results of the audit. Within a specified timeframe from the date the report was sent by certified mail, the IV-D agency may submit written comments on any part of the report which the IV-D agency believes is in error. The auditors will note such comments and incorporate any response into the final audit report.

§ 305.65 State cooperation in audit.

(a) Each State shall make available to the Federal auditors such records or other supporting documentation (electronic and manual) as the audit staff may request, including records to support the data as submitted on the Federal statistical and financial reports that will be used to calculate the State's performance. The State shall also make available personnel associated with the State's IV-D program to provide information that the audit staff may find necessary in order to conduct or complete the audit.

(b) States must provide evidence to Office that their data are complete and reliable as defined in § 305.2 of this part.

(c) Failure to comply with the requirements of this section with respect to audits conducted to determine compliance with IV-D requirements under § 305.60 of this part, may necessitate a finding that the State has failed to

comply with the particular criteria being audited.

§ 305.66 Notice, corrective action year, and imposition of penalty.

(a) If a State is found by the Secretary to be subject to a penalty as described in § 305.61 of this part, the OCSE will notify the State in writing of such finding.

(b) The notice will:

(1) Explain the deficiency or deficiencies which result in the State being subject to a penalty, indicate the amount of the potential penalty, and give reasons for the finding; and

(2) Specify that the penalty will be assessed in accordance with the provisions of 45 CFR 262.1(b) through (e) and 262.7 if the State is found to have failed to correct the deficiency or deficiencies cited in the notice during the automatic corrective action year (i.e., the succeeding fiscal year following the year with respect to which the deficiency occurred.)

(c) The penalty under § 305.61 of this part will be assessed if the Secretary determines that the State has not corrected the deficiency or deficiencies cited in the notice by the end of the corrective action year.

(d) Only one corrective action period is provided to a State with respect to a given deficiency where consecutive findings of noncompliance are made with respect to that deficiency. In the case of a State against which the penalty is assessed and which failed to correct the deficiency or deficiencies cited in the notice by the end of the corrective action year, the penalty will be effective for any quarter after the end of the corrective action year and ends for the first full quarter throughout which the State IV-D program is determined to have corrected the deficiency or deficiencies cited in the notice.

(e) A consecutive finding occurs only when the State does not meet the same criterion or criteria cited in the notice in paragraph (a) of this section.
